

GIBRALTAR MINE

Taseko Mines Limited of Vancouver, B.C. is a mining exploration, development and production company focused on creating wealth through the growth and development of current assets, as well as the acquisition of other promising projects. Taseko's main assets are the Gibraltar copper-molybdenum mine, the Prosperity gold-copper project, the Harmony Gold and Aley Niobium prospects. The Gibraltar Mine, located near the City of Williams Lake in the beautiful Cariboo region of British Columbia, is the second largest open pit copper mine in Canada with daily mill throughput of 46,000 tons. Gibraltar is currently undergoing upgrades to the mill and concentrator which will increase mill throughput to 55,000 tons per day and results in a 27 year mine life based on current reserves. The company's Prosperity Project located 125 km south west of Williams Lake, hosts a large gold-copper reserve, has recently been granted a Provincial Assessment Certificate and is being advanced through permitting.

Recent growth in the Company has created an opening at The Gibraltar Mine for the following:

CERTIFIED JOURNEYMAN HEAVY DUTY MECHANIC

Reporting to the Mine Maintenance Foreman, the Certified Journeyman Heavy Duty Mechanic is responsible for:

- Meeting production and maintenance goals.
- Performing maintenance associated with open pit mining equipment.
- Contributing to the development of apprentices and,
- Supporting mechanical maintenance personnel in coordinating major overhauls of equipment.

Qualifications:

The ideal candidate will have:

- Inter-provincial Trade Qualification,
- Open pit mining experience relating to:
 - Detroit Diesel 4000 Series Engines,
 - Caterpillar Equipment,
 - P & H Shovels,
 - Marion & Gardner Denver Drills and,
 - Terex/Unit Rig Haul Trucks

Compensation

Gibraltar offers an excellent benefit package which includes competitive salary and relocation assistance to Williams Lake. For further information on Taseko Mines Ltd. visit www.tasekomines.com.
